INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Manzanita Public Charter School (hereinafter referred to as “MPCS” or the “School”). It explains some of our philosophies and beliefs, and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time. MPCS also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the Executive Director.

Employees must sign the acknowledgment form of this Handbook and return it to the Executive Director. This will provide the School with a record that each employee has received this Handbook.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

MPCS is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to race, color, creed, gender (including gender identity and gender expression), religion, marital status, registered domestic partner status, age, national origin or ancestry, physical or mental disability, medical condition (including cancer and genetic characteristics), genetic information, sexual orientation, military and veteran status, or any other consideration made unlawful by federal, state, or local laws. This policy extends to all employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job. MPCS then will conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform his or her job. MPCS will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered “at-will” employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have “cause” to terminate an employee or otherwise restrict the School’s right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School’s right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School’s policy regarding “at will” employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents whether singly or combined, or any

employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

MPCS will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

Staff/Student Interaction Policy

MPCS recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
1. Stopping a student from fighting with another student;
 2. Preventing a pupil from committing an act of vandalism;
 3. Defending yourself from physical injury or assault by a student;
 4. Forcing a pupil to give up a weapon or dangerous object;
 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- B. Examples of PROHIBITED actions (corporal punishment)
1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning,

student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee becomes aware of another staff member having crossed the boundaries specified in this policy, he or she must speak to this staff member if the violation appears minor, or report the matter to school administrators. If the observed behavior appears significant, it is the duty of every staff member to immediately report it to an administrator. All reports shall be confidential. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
- (b) Kissing of any kind.
- (c) Any type of unnecessary physical contact with a student in a private situation.

- (h) Listening to or telling stories that are sexually oriented.
- (i) Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding.
- (j) Becoming involved with a student so that a reasonable person may suspect inappropriate behavior.

Unacceptable Staff/Student Behaviors without Parent and Supervisor Permission

(These behaviors should only be exercised when a staff member has parent and supervisor permission.)

- (a) Giving students a ride to/from school or school activities.
- (b) Being alone in a room with a student at school with the door closed.
- (c) Allowing students in your home.

Cautionary Staff/Student Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)

- (a) Remarks about the physical attributes or development of anyone.
- (b) Excessive attention toward a particular student.
- (c) Sending emails, text messages or letters to students if the content is not about school activities

Acceptable and Recommended Staff/Student Behaviors

- (a) Getting parents' written consent for any after-school activity.
- (b) Obtaining formal approval to take students off school property for activities such as field trips or competitions.

- (f) Stopping and correcting students if they cross your own personal boundaries.
- (g) Keeping parents informed when a significant issue develops about a student.
- (h) Keeping after-class discussions with a student professional and brief.
- (i) Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries.
- (j) Involving your supervisor if conflict arises with the student.
- (k) Informing the Executive Director about situations that have the potential to become more severe.
- (l) Making detailed notes about an incident that could evolve into a more serious situation later.
- (m) Recognizing the responsibility to stop unacceptable behavior of students or coworkers.
- (n) Asking another staff member to be present if you will be alone with any type of difficult student.
- (o) Asking another staff member to be present when you must be alone with a student after regular school hours.

- (q) Pats on the back, high fives and handshakes are acceptable.
- (r) Keeping your professional conduct a high priority.
- (s) Asking yourself if your actions are worth your job and career.

Policy Prohibiting Unlawful Harassment

MPCS is committed to providing a work and educational atmosphere that is free of unlawful harassment. MPCS's policy prohibits unlawful harassment based upon race, color, creed, gender (including gender identity and gender expression), religion, marital status, registered domestic partner status, age, national origin or ancestry, physical or mental disability, medical condition (including cancer and genetic characteristics), genetic information, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state, or local laws. MPCS will not condone or tolerate harassment of any type by any employee, independent contractor or other person with which the School does business. This policy applies to all employee actions and relationships, regardless of position or gender. MPCS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

MPCS is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. Such training will include the prevention of abusive conduct in the workplace that a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests, including but not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Other staff will receive sexual harassment training and/or instruction concerning sexual harassment in the workplace as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Executive Director. See Appendix A for the "Harassment Complaint Form." See Appendix B for the general "Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and
 - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work.
 - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate MPCCS policy.

Complainants and witnesses under these policies will be protected from further harassment and will not be retaliated against in any aspect of their employment due to their participation, filing of a complaint, or reporting harassment.

MPCS will investigate complaints promptly and provide a written report of the investigation and decision as soon as practicable. The investigation will be handled in as confidential a manner as possible consistent with a full, fair, and proper investigation. MPCS is committed to remediating any instances where investigation findings demonstrate unlawful harassment has occurred.

Workplace Violence

MPCS takes the safety and security of its employees seriously. MPCS does not tolerate acts or threats of physical violence, including but not limited to intimidation, harassment and/or coercion, that involve or affect the School or that occur, or are likely to occur, on School property. You should report any act or threat of violence immediately to the Executive Director or Executive Director.

Whistleblower Policy

MPCS requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Drug-Free Workplace

MPCS is committed to providing a drug and alcohol free workplace and to promoting safety in the workplace, employee health and well-being, customer confidence and a work environment that is conducive to attaining high work standards. The use of drugs and alcohol by employees, whether on or off the job, jeopardizes these goals, since it adversely affects health and safety, security, productivity, and public confidence and trust. Drug or alcohol use in the workplace is extremely harmful to workers.

The bringing to the work place, possession or use of intoxicating beverages or drugs on any School premises is prohibited and will result in disciplinary action up to and including termination.

Consensual Relationships

Consensual relationships in the workplace are discouraged. Consensual relationships between supervisors and employees and between staff and parents or students are potentially exploitative and must be avoided. They raise serious concerns about the validity of the consent, conflicts of interest, and unfair treatment of others. Moreover, consensual relationships in the workplace can lead to problems with morale, decreased productivity and increased liability. The School has a strong policy against sexual harassment and is concerned that consensual relationships might potentially violate the policy. The School aims to prevent sexual harassment from occurring in the workplace. To help prevent sexual harassment, employees who enter into consensual relationships should notify administration regarding the relationship, as well as review the sexual harassment policy. Moreover, employees are expected to abide by the sexual harassment policy, behave professionally at work, and not let the relationship affect their work or the workplace.

Employees involved in consensual relationships in the School's workplace are prohibited from evaluating the work performance of others with whom they have a relationship, or from making hiring, salary or similar decisions which may impact some persons.

Violations of the School's Consensual Relationship Policy may result in disciplinary action up to and including release from at-will employment.

Confidential Information

All information relating to students, including schools attended, addresses, contact numbers, State Test Results, Report Cards, discipline, and academic social progress information and any other record considered to be an "educational record" as that term is defined by the Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) and implementing regulations is confidential in nature, and may not be shared with or distributed to unauthorized parties. All records concerning special education pupils shall be kept strictly confidential. Failure to adhere to the confidentiality of student records may result in discipline, up to and including release from at-will employment.

Conflict of Interest

All employees must avoid situations involving actual or potential conflict of interest.

An employee involved in any relationships or situations which may constitute a conflict of interest should immediately and fully disclose the relevant circumstances to the Executive Director, or the Board of Directors, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action.

Smoking

MPCS facility is a no smoking facility.

THE WORKPLACE

Certification and Licensure of Instructional Staff

Each teacher must hold a California Commission on Teacher Credentialing certificate that a teacher in other public schools would be required to hold. All teachers are required to meet certain federal requirements related to subject-matter expertise in order to meet federal requirements for “highly qualified teachers.” It is the responsibility and a condition of continued employment of all teachers to provide, maintain and keep current certificates, permits or other documentation to the Executive Director or Principal before reporting for duty. Teachers are required to meet all state and federal certification, expertise, and related requirements and must maintain such qualifications as a condition of employment.

Work Schedule

Business hours are normally 7:30 a.m. – 4:30 p.m., Monday through Friday. The regular workday schedule for non-exempt employees is eight (8) hours; the regular workweek schedule is forty (40) hours. Exempt employees are also generally expected to be present during business hours and to commit whatever additional time is necessary to satisfactorily complete all job requirements.

Mandatory Training, Meetings, Student Assessment

All exempt employees are required to attend mandatory professional development and weekly collaboration. Part-time, hourly and temporary employees may be required to attend trainings or meetings. Manzanita may pay exempt and temporary employees for attendance at student testing/assessments in the form of stipends.

Meal Periods

Non-exempt employees are provided with at least a thirty (30) minute meal period, to be taken approximately in the middle of the workday. The Executive Director should be aware of and approve scheduled meal and rest periods.

Employees are expected to observe assigned working hours and the time allowed for meal and rest periods. Do not leave the premises during rest periods and do not take more than ten (10) minutes for each rest period. Employees may leave the premises during the meal period.

Attendance and Tardiness

Employees are expected to adhere to adopted annual school calendar and to be punctual. If you find it necessary to be absent or late, you are expected to arrange it in advance with the Executive Director or Principal. If it is not possible to arrange your absence or tardiness in

advance, you must notify Executive Director or Principal no later than one-half hour before the start of your professional workday. You are also responsible to arrange for a qualified substitute from those listed on the Manzanita Substitute lists. If you are absent from work longer than one day, you are expected to notify school officials and keep them informed and updated of your situation.

Excessive absenteeism and tardiness may lead to disciplinary action, up to and including termination. An absence or tardiness without notification may lead to disciplinary action, up to and including termination.

If you fail to come to work for three (3) consecutive work days without authorization, the Executive Director or Principal will presume that you have voluntarily resigned your position. At the close of the third missed work day your employment will automatically terminate.

Time Sheets/Records

By law, MPCS is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall be required to utilize the School's time sheet system.

Non-exempt employees must accurately record on a timesheet the in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time sheet indicates when the employee arrived and when the employee departed. All non-exempt employees must record the in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time sheets and remembering to record time worked. If an employee forgets to mark their time sheet or makes an error on the time sheet, the employee must contact the Executive Director to make the correction and such correction must be initialed by both the employee and the Executive Director.

No one may record hours worked on another's worksheet. Any employee who tampers with his/her own time sheet, or another employee's time sheet, may be subjected to disciplinary action, up to and including release from at-will employment with the School.

Use of E-Mail, Voicemail and Internet Access

MPCS will permit employees to use its electronic mail, voicemail systems and Internet access subject to the following:

1. Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols.
2. The E-mail system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment

or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs or political beliefs may not be displayed or transmitted.

3. Employees should not attempt to gain access to another employee's personal file or E-mail or voicemail messages without the latter's express permission.
4. School staff will not enter an employee's personal E-mail files or voicemail unless there is a business need to do so. MPCS retains a copy of all passwords; passwords unknown to the School may not be used. System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.
5. The School email system will be used by all employees when conducting school business.

Soliciting/Conducting Personal Business While on Duty

MPCS employees are not permitted to conduct personal business or solicit personal business for any cause or organization while on-duty, or when the employee being solicited is supposed to be working. This prohibition includes distributing literature and other material. Distribution of materials is also against the School's policy if it interferes with access to facility premises, if it results in litter or is conducted in areas where other employees are working. Solicitation during non-work time, e.g., lunch periods or other such non-work periods, is permissible. Entry on the School premises by non-employees is not permitted, unless related to official school business. Solicitation or distribution of written materials by non-employees is strictly prohibited.

Personal Business

MPCS's facilities for handling mail and telephone calls are designed to accommodate School business. Employees should have personal mail directed to their home address and limit personal telephone calls to an absolute minimum. Personal calls should not be made outside the immediate dialing area. Do not use School material, time or equipment for personal projects.

Social Media

If an employee decides to post information on the Internet (i.e., personal blog, Facebook, Instagram, Twitter, etc.) that discusses any aspect of his/her workplace activities, the following restrictions apply:

- School equipment, including School computers and electronics systems, may not be used for these purposes;
- Student and employee confidentiality policies must be strictly followed;
- Employees must make clear that the views expressed in their blogs are their own and not those of the School;
- Employees may not use the School's logos, trademarks and/or copyrighted material and are not authorized to speak on the School's behalf;
- Employees are not authorized to publish any confidential or proprietary information maintained by the School;

- Employees are prohibited from making discriminatory, defamatory, libelous or slanderous comments when discussing the School, the employee's supervisors, co-workers and competitors;
- Employees must comply with all School policies, including, but not limited to, rules against unlawful harassment and retaliation.

The School reserves the right to take disciplinary action against any employee whose Internet postings violate this or other School policies.

Personal Appearance

Employees are expected to wear clothes that are neat, clean and professional while on duty. Employees are expected to appear well groomed and appear within professionally accepted standards suitable for the employee's position and duties. Employees must wear shoes at all times. The Executive Director or Principal will inform you of any specific dress requirements for your position.

Participation in Recreational or Social Activities

Employees may participate in activities sponsored by or supported by the school. Participation in such activities is strictly voluntary. As such, employees have no obligation to participate in recreational or social activities and no employee has work-related duties requiring such participation. An employee's participation in social and recreational activities is at the employee's own risk and MPCCS disclaims any and all liability arising out of the employee's participation in these activities.

Health and Safety Policy

MPCS is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices at all times. Employees are required to report immediately to the Executive Director any potential health or safety hazards, and all injuries or accidents.

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Company Property Inspections

MPCS is committed to providing a work environment that is safe and free of illegal drugs, alcohol, firearms, explosives and other improper materials. Additionally, the School provides property and facilities to its employees to carry out business on behalf of the School.

Accordingly, employees do not have a reasonable expectation of privacy when using any School property or facilities. In accordance with these policies, all School facilities and property, including all items contained therein, may be inspected by the School at any time, with or without prior notice to the employee. School property includes all desks, storage areas, work

stations, lockers, file cabinets, computers, telephone systems, email systems and other company provided storage devices.

The School also reserves the right to inspect any vehicle, its trunk, glove compartment or any container therein that is parked on the School property or premises. The School reserves the right to deny entry to any person who refuses to cooperate with any inspections by the School. Any employee who fails to cooperate with inspections may be subject to disciplinary action, up to and including dismissal.

Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment that the safety and the well-being of students takes precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be convicted of a controlled substance or sex offense, or serious or violent felony, the employee must immediately report such a conviction to the Executive Director.

Tuberculosis Testing

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB). If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers will be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

Immigration Compliance

MPCS will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an

employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law.

If you have any questions or need more information on immigration compliance issues, please contact the Executive Director.

Security Protocols

MPCS has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the Executive Director. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a work station that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Executive Director when keys are missing or if security access codes or passes have been breached.

Occupational Safety

MPCS is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. MPCS's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling management. In addition, all employees should know the local emergency numbers such as 911.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) and State Disability Insurance from each employee's pay as follows:

1. **Federal Income Tax Withholding:** The amount varies with the number of exemptions the employee claims and the gross pay amount.
2. **State Income Tax Withholding:** The same factors which apply to federal withholdings apply to state withholdings.
3. **Social Security (FICA) and Medicare:** The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School.

Every deduction from an employee's paycheck is explained on the check voucher. If an employee does not understand the deductions, he or she should ask the Executive Director to explain them.

Employees may change the number of withholding allowances claimed for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to the Executive Director. The office maintains a supply of these forms.

All Federal, State, and Social Security taxes will be automatically deducted from paychecks. Federal Withholding Tax deduction is determined by the employee's W-4 form. The W-4 form should be completed upon hire and it is the employee's responsibility to report any changes in filing status to the Executive Director and to fill out a new W-4 form.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security information, taxes withheld and total wages.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case-by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Non-exempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for non-exempt employees. MPCS will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the Executive Director. MPCS provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

For employees subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime.

Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) hours and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve hours (12) hours in one workday and an excess of eight(8) hours on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to these exempt employees.

Pay Days

For salaried, non-certificated personnel, payday is scheduled on the last day of each month. Each paycheck will include earnings for all reported work performed through the end of the payroll period. In the event that a regularly scheduled payday falls on a weekend or holiday, employees will receive their pay on the next day of work after the day(s) off.

MPCS will pay salaried, certificated employees in accordance with applicable law.

Salaried employees on a ten (10) month pay schedule may elect to have a "Summer Savings Account" where a percentage of their monthly salary is placed into a non-interest bearing trust account. In August and September the savings will be returned to the employee in equal payments. Please contact the Executive Director or Principal to elect participation in the Summer Savings Account or to set up direct deposit of paychecks.

You should promptly notify the Executive Director or Principal if you have a question regarding the calculations of your paycheck; any corrections will be noted and will appear on the following payroll.

Expense Reimbursements

All reimbursements must be **pre-approved** by the Executive Director for necessary expenses incurred in the furtherance of school business. In order to be eligible for reimbursement, employees must comply with ALL policy regarding expenditures, a copy of which may be obtained from the Executive Director or Principal. Reimbursement forms must be completed accurately in ink and must include original receipts before they can be submitted for final approval. All expense reimbursement must be approved by the Executive Director and MPCS Board Treasurer.

Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Health Insurance

Full time employees are entitled to health insurance benefits in accordance with the health insurance plan. MPCS may cover the insurance premium for employees and dependent costs. Employees may be required to contribute to the cost of premiums to retain coverage.

MPCS will comply with all Affordable Care Act applicable regulations.

COBRA Benefits

Continuation of Medical and Dental

WHEN COVERAGE UNDER THE SCHOOL'S HEALTH PLAN ENDS, YOU OR YOUR DEPENDENTS MAY CONTINUE COVERAGE IN SOME SITUATIONS.

When your coverage under the School's medical and/or dental plans ends, you or your dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended and according to current Cobra law. To continue coverage, you must pay the full cost of current and future coverage - your contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for you, your spouse, and your eligible dependent children can continue for up to 18 months if coverage ends because:

- Your employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Your hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making you ineligible for the plan.

This eighteen (18)-month period may be extended an additional eleven (11) months if you are disabled at the time of your termination or reduction in hours if you meet certain requirements. This eighteen (18)-month period also may be extended if other events (such as a divorce or death) occur during the eighteen (18)-month period.

Your spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- You die while covered by the plan;
- You and your spouse become divorced or legally separated;
- You become eligible for Medicare coverage, but your spouse has not yet reach age sixty-five (65); or
- Your dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

MPCS will notify you or your dependants if coverage ends due to termination or a reduction in your work hours. If you become eligible for Medicare, divorced or legally separated, die, or when your child no longer meets the eligibility requirements, you or a family member are responsible for notifying the School within thirty (30) days of the event. MPCS will then notify you or your dependents of your rights.

Under Cobra, health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- You (or your spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition you (or your spouse or child, as applicable) may have;
- MPCS stops providing group health benefits;
- You (or your spouse or child) become entitled to Medicare; or
- You extended coverage for up to twenty-nine (29)-months due to disability and there has been a final determination that you are no longer disabled.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Each employee will receive periodic performance reviews conducted by the Principal. Performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems.

Your performance evaluations may review factors such as the quality and quantity of the work you perform, your knowledge of the job, your initiative, your work attitude, and your attitude toward others. The performance evaluations are intended to make you aware of your progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of the School and depend upon many factors in addition to performance. After the review, you will be required to sign the evaluation report simply to acknowledge that it has been presented to you, that you have discussed it with the Executive Director, and that you are aware of its contents.

Newly hired employees will have their performance goals reviewed by the Executive Director within the first ninety (90) days of employment.

Your salary and your potential for advancement will be based largely upon your job performance. On a periodic basis, the Principal will review your job performance with you in order to establish goals for future performance and to discuss your current performance. MPCS's evaluation system will in no way alter the at-will employment relationship.

Personnel Files and Record Keeping Protocols

At the time of your employment, a personnel file is established for you. Please keep the Executive Director advised of changes that should be reflected in your personnel file. Such changes include: change in address, telephone number, marital status, number of dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact you should the change affect your other records.

You have the right to inspect certain documents in your personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. You also have the right to obtain a copy of your personnel file as provided by law. You may add your comments to any disputed item in the file. MPCS will restrict disclosure of your personnel file to authorized individuals within the School. A request for information contained in the personnel file must be directed to the Executive Director. Only the Executive Director or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

MPCS calendar reflects any and all holidays observed by the School. The following holidays are generally observed by public entities, including public schools:

- New Year's Day
- Martin Luther King Jr. Birthday
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving
- Friday after Thanksgiving
- Day before Christmas
- Christmas Day

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to the Executive Director. The employee will be paid if the religious holiday is taken as an earned paid leave day (i.e. vacation, personal necessity day, etc., as applicable).

Unpaid Leave of Absence

MPCS recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

If you are currently covered, medical, and dental coverage will remain in force during a medical or worker's compensation leave of absence, provided you pay the appropriate premiums.

Whether you are required to pay your own premiums will depend upon the length of your leave of absence. During a family/medical leave, your medical and dental benefits will remain in force provided you pay the appropriate premiums.

Sick Leave

Sick leave is a benefit provided to employees as a cushion for incapacitation due to illness or injury. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners, grandparents, grandchildren, or siblings) who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Finally, an employee may take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

Sick leave is available to all MPCS employees who work at least thirty (30) days within the span of a single calendar year from the commencement of employment. Full-time employees are offered twelve (10) days of sick leave per year where such days accrue at one day per month and two (2) personal necessity days. Personal necessity days may be used for any reason, and are not accumulated. Effective July 1, 2015, part-time employees are entitled to a prorated amount of sick leave but in no case shall be provided less than twenty-four (24) hours of sick leave each year.

Employees are not allowed to draw against unearned/unaccrued sick leave. MPCS does not pay employees in lieu of unused sick leave. Sick leave may carry over from school year to school year for full time (six (6) hours or more) employees only. Part time employees (under six (6) hours) may not accrue sick leave.

Employees cannot use paid sick leave until the sixtieth (60th) calendar day following the employee's start date. Sick leave must be taken by eligible employees in increments of at least four (4) hours (1/2 day)+. Sick leave may only be used for the purposes specified in this policy. Accordingly, MPCS retains the right to request verification from a licensed health care provider for any absence due to illness or disability.

Employees must provide reasonable advance notification, either orally or in writing, if a need for paid sick leave is foreseeable. Further, employees should schedule medical appointments in a

manner that does not interfere with their job duties whenever possible. If the need for paid sick leave is unforeseeable, the employee must provide notice for the leave as soon as practicable.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act (“FMLA”) and the California Family Rights Act (“CFRA”), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA leave in any twelve (12) month period for the purposes enumerated below. For purposes of this policy, all leave taken under FMLA or CFRA will be referred to as “FMLA leave.”

- **Employee Eligibility Criteria**

To be eligible for FMLA leave, the employee must have been employed by the School for a total of at least twelve (12) months and must have worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the FMLA leave.

- **Events That May Entitle an Employee To FMLA Leave**

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee’s newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they will be entitled to a combined total of twelve (24) weeks of leave for this purpose.
2. Because of the employee’s own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School’s separate pregnancy disability policy).
 - a. A “serious health condition” is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. “Inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed,

even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.

- c. “Incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. “Continuing treatment” means ongoing medical treatment or supervision by a health care provider.
3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces service member with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of FMLA leave in a single twelve (12) - month period to provide said care.
 4. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces.
- Amount of FMLA Leave Which May Be Taken
 1. FMLA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.
 2. In addition to the twelve (12) workweeks of FMLA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces service member shall also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the service member.
 3. The “twelve month period” in which twelve (12) weeks of FMLA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA leave.
 4. If a holiday falls within a week taken as FMLA leave, the week is nevertheless counted as a week of FMLA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA leave entitlement. Similarly, if an employee uses FMLA leave in increments of less than one (1) week, the fact that a holiday may

occur within a week in which an employee partially takes leave does not count against the employee's CFRA entitlement unless the employee was otherwise scheduled and expected to work during the holiday.

- Pay during FMLA Leave

1. An employee on FMLA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any FMLA leave period. An employee on FMLA leave for child care or to care for a spouse, domestic partner, parent, or child with a serious health condition must use any or all accrued sick leave at the beginning of any FMLA leave.
3. If an employee has exhausted his/her sick leave the employee may utilize a partial wage reduction benefit, paying 100% of the substitutes employees' wages and benefits up to a period of twelve (12) weeks or twenty six (26) weeks as provided by law. Additional leave taken shall be unpaid leave.
4. The receipt of sick leave pay o will not extend the length of the FMLA leave. Sick pay accrues during any period of unpaid FMLA leave only until the end of the month in which unpaid leave began.

- Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA leave, and these provisions may change from time to time. The health benefits of employees on FMLA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

MPCS may recover the health benefit costs paid on behalf of an employee during his/her FMLA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave, or other circumstances beyond the control of the employee.

- Medical Certifications
 1. An employee requesting FMLA leave because of his/her own or a spouse, domestic partner, parent or child, serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
 2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate or clarify information in a deficient certification if the employee is unable to cure the deficiency.
 3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
 4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

- Procedures for Requesting and Scheduling FMLA Leave
 1. An employee should request FMLA leave by completing a Request for Leave form and submitting it to the Executive Director. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA leave policy.
 2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her spouse, domestic partner, child, or parent. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA leave was an emergency or was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's spouse, domestic partner, parent or child, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.

5. If FMLA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
 7. The School will respond to an FMLA leave request no later than five (5) days of receiving the request. If an FMLA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
- Return to Work
 1. Upon timely return at the expiration of the FMLA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA leave.
 2. When a request for FMLA leave is granted to an employee (other than a "key" employee), the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
 3. Before an employee will be permitted to return from FMLA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
 4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.
 - Limitations on Reinstatement
 1. MPCS may refuse to reinstate a "key" employee if the refusal is necessary to prevent substantial and grievous injury to the School's operations. A "key" employee is an exempt salaried employee who is among the highest paid 10% of the School's employees within seventy-five (75) miles of the employee's worksite.

2. A “key” employee will be advised in writing at the time of a request for, or if earlier, at the time of commencement of, FMLA leave, that he/she qualifies as a “key” employee and the potential consequences with respect to reinstatement and maintenance of health benefits if the School determines that substantial and grievous injury to the School’s operations will result if the employee is reinstated from FMLA leave. At the time it determines that refusal is necessary, the School will notify the “key” employee in writing (by certified mail) of its intent to refuse reinstatement and will explain the basis for finding that the employee’s reinstatement would cause the School to suffer substantial and grievous injury. If the School realizes after the leave has commenced that refusal of reinstatement is necessary, it will give the employee at least ten (10) days to return to work following the notice of its intent to refuse reinstatement.

- **Employment during Leave**

No employee, including employees on FMLA leave, may accept employment with any other employer without the School’s written permission. An employee who accepts such employment without the School’s written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- **Employee Eligibility Criteria**

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- **Events That May Entitle an Employee to California Pregnancy Disability Leave**

The four (4) month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

- **Duration of Pregnancy Disability Leave**

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

Pregnancy disability leave does not count against the leave which may be available as Family Care and Medical Leave.

- Pay during Pregnancy Disability Leave
 1. An employee on pregnancy disability leave must use all accrued sick leave and at the beginning of any Pregnancy Disability Leave period. After sick leave is exhausted, the employee may utilize a partial wage reduction benefit, and pay 100% of substitute employee wages and benefits out of their earnings.
 2. The receipt of vacation pay, sick leave pay benefits, will not extend the length of pregnancy disability leave.
 3. Sick leave accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

MPCS shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. MPCS can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.

2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Continuity of Service

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Executive Director. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
2. Employee should provide not less than thirty (30) days or as soon of notice as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.

5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
6. In most cases, the School will respond to a pregnancy disability leave request within two (2) days of acquiring knowledge that the leave qualifies as pregnancy disability and, in any event, within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:
 - a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
 - b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
3. In accordance with MPCS policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

MPCS, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure you receive any worker's compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to the Executive Director;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Executive Director; and
- Provide the School with a certification from your health care provider regarding the need for workers' compensation disability leave as well as your eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to insure that the injured employee receives appropriate medical attention. MPCS, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems (EMS) such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.

- All accidents and injuries must be reported to the Executive Director and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School's approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.
- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

MPCS shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

MPCS will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

MPCS shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

Funeral/Bereavement Leave

Employees are entitled to leave of absence of three (3) days, or five (5) days if travel exceeds 300 miles one way, for the death of any member of his/her immediate family, and to such additional days thereafter as the School may allow. No deduction shall be made from the salary

of such employee, nor shall such leave be deducted from any other leave category, which may be utilized for this purpose in addition to bereavement leave.

Members of an immediate family are defined as follows: child, spouse, domestic partner, mother/father of employee or spouse of employee, grandmother/grandfather of employee or spouse of employee, son (in-law), daughter (in-law), grandchild (in-law), brother or sister of employee or spouse of employee, aunt/uncle of the employee or spouse of employee, niece/nephew, step relatives, foster children, foster parents, or any other relative living in the immediate household.

If any employee requires more than three (3) to five (5) days off for bereavement leave, the employee may request additional unpaid leave or may request to use up to five (5) days of accrued sick time, which may be granted at the discretion of the School.

Jury Duty or Witness Leave

For all employees, the School will pay for up to three (3) days if an employee is called to serve on a jury provided the employee continues to provide work duties as assigned.

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give the Executive Director at least two (2) days notice.

School Appearance and Activities Leave

As required by law, MPCS will permit an employee who is a parent or guardian of school children, from kindergarten through grade twelve (12), or a child in a licensed day-care facility, up to forty (40) hours of unpaid time off per child per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school. If more than one parent or guardian is an employee of MPCS, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused sick time to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to thirty (30) workdays off in a 12-month period.

To be eligible for bone marrow or organ donation leave (“Donor Leave”), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

An employee must first use his or her earned but unused sick leave for bone marrow donation and two (2) week’s worth of earned but unused sick leave for organ donation. If the employee has an insufficient number of sick days available, the leave will be considered unpaid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Returning From Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor’s return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Executive Director thirty (30) days’ notice before returning from leave. Whenever the School is notified of an employee’s intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If you need further information regarding Leaves of Absence, be sure to consult the Executive Director.

This list of prohibited conduct is illustrative only and applies to all employees of the School; other types of conduct that threaten security, personal safety, employee welfare and the School's operations also may be prohibited. Off-Duty Conduct

While the School does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the School legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

- Additional employment that conflicts with an employee's work schedule, duties, and responsibilities at our School.
- Additional employment that creates a conflict of interest or is incompatible with the employee's position with our School.
- Additional employment that impairs or has a detrimental effect on the employee's work performance with our School.
- Additional employment that requires the employee to conduct work or related activities on the School's property during the employer's working hours or using our School's facilities and/or equipment; and

Employees who wish to engage in additional employment that may create a real or apparent conflict of interest must submit a written request to the School explaining the details of the additional employment. If the additional employment is authorized, the School assumes no responsibility for it. MPCS shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Termination of Employment

Should it become necessary for you to terminate your at-will employment with the School, please notify the Executive Director regarding your intention as far in advance as possible. At least two (2) weeks notice is expected whenever possible.

When you terminate your at-will employment, you will be entitled to all earned but unused vacation pay. If you are participating in the medical and/or dental plan, you will be provided information on your rights under COBRA.

References

All requests for references and employment verifications must be promptly directed to the Executive Director or Principal. When contacted for a reference or employment verification, MPCS will provide information concerning dates of employment and the title of the last position held. Other employees may not provide any employment verifications or act as a reference for any other employees.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the Executive Director or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment are addressed under the School’s “Policy Against Unlawful Harassment.”

Open Door Policy

MPCS wishes to provide the most positive and productive work environment possible. To that end, it has an open door policy where it welcomes your questions, suggestions or complaints relating to your job, conditions of employment, the School or the treatment you are receiving. Other than in situations involving harassment (as outlined and described above), please initially contact the Executive Director with your questions or concerns. If the situation is not resolved to your satisfaction, please contact the Board, preferably in writing, who will further investigate the issue.

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by the Executive Director or designee:

1. The complainant will bring the matter to the attention of the Executive Director as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Executive Director or designee will then investigate the facts and provide a solution or explanation. The Executive Director will fully document the facts of the complaint, the statements of all parties identified in the complaint, and the disposition of the complaint;
3. If the complaint is about the Executive Director, the complainant may file his or her complaint in a signed writing to the President of the Board of Directors of the School, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board. The Board President or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee's satisfaction. However, the School values each employee's ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees (Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of the Executive Director or Board President (if the complaint concerns the Executive Director) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Executive Director (or designee) shall abide by the following process:

1. The Executive Director or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint. The Executive Director will fully document the facts of the complaint, the statements of all parties identified in the complaint, and the disposition of the complaint.
2. In the event that the Executive Director (or designee) finds that a complaint against an employee is valid, the Executive Director (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Executive Director (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Executive Director's (or designee's) decision relating to the complaint shall be final unless it is appealed to the Board of the School. The decision of the Board shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. Resolution: The Board (if a complaint is about the Executive Director) or the Executive Director or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

AMENDMENT TO EMPLOYEE HANDBOOK

This Employee Handbook contains the employment policies and practices of the School in effect at the time of publication.

MPCS reserves the right to amend, delete or otherwise modify this Handbook at any time provided that such modifications are in writing and duly approved by the employer.

Any written changes to the Handbook will be distributed to all employees. No oral statements can in any way alter the provisions of this Handbook.

APPENDIX A

It is the policy of the School that all of its employees be free from harassment. This form is provided for you to report what you believe to be harassment, so that the School may investigate and take appropriate disciplinary or other action when the facts show that there has been harassment.

If you are an employee of the School, you may file this form with the Executive Director or Board President.

MPCS will undertake every effort to handle the investigation of your complaint in a confidential manner. In that regard, the School will disclose the contents of your complaint only to those persons having a need to know.
